

Space, Grace, Elegance and Grandeur

Creating a hotel as majestic as its surroundings was a challenge, but as you approach The Dunloe Hotel & Gardens you quickly realise that challenge has been more than met. Set amid 64 acres of parkland, just a short drive from Killarney and surrounded by Kerry's spectacular rugged beauty – nothing comes close to The Dunloe.

The magnificent
Gap of Dunloe

The Dunloe Library,
where everyday conversation
is poetry

An appetite for living,
a taste for life

A sublime location,
a breathtaking setting

Where spirits meet and mix –
on each side of the bar

Where the melody
of conversation keeps time
with the clink of ice and crystal

Find your
‘thinking space’,
in a unique
atmosphere

Where love lives,
the welcome is warm
and hearts are full

Even at dusk the skies
have a story to tell

In surroundings like these,
business is always a pleasure

Idyllic scenery to look out on,
a perfect night's sleep
to look forward to

The body refreshed,
the mind inspired

Nature is reflected in everything we do

You never know whom you'll meet,
exploring on foot or on horseback

Time doesn't stand still
at The Dunloe, it just
passes gracefully

Find time
for a visit
and discover
a new you
