WHAT IS HIJINGO?

Located on the corner of Worship Street and Curtain Road in Shoreditch, Hijingo is a multi-sensory bingo experience combining mind-blowing video and motion graphics, stadium-grade lighting and a killer soundtrack – it will have you on the edge of your seat as you are fully immersed in the show in the 185 covers Hijingo room.

The world's first host-less bingo show, numbers are called out by a "Voice of God" and guests are assisted by our in-house robot dancers – the Hijingobots.

Not only is the game out of this world, but it's got food and drink to match! An incredible Asian-inspired street food menu and some of London's best mixologists bringing you an insanely good cocktail list.

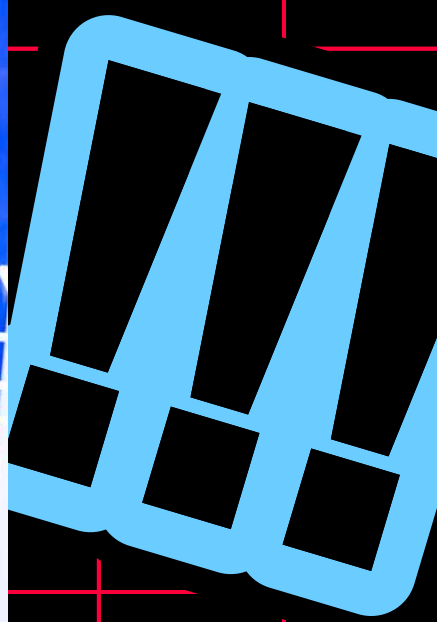

We're living in the future here; this is bingo with a pulse. Each game is a new opportunity for you to win epic prizes... will you be the chosen one?

This is a glimpse into the future of bingo and you don't want to miss it.
