

CHAMPAGNE COCKTAILS

Our signature cocktails are inspired by the 19th century Aesthetic Movement's view on beauty – one that requires no justification, celebrating sensual and visual qualities above everything else. Each cocktail is blended with expressions of Champagne and tea to create smooth drinks with herbal complexities.

If you have a food allergy or intolerance, please speak to a member of our staff before you order or consume any food or beverage. Our vintages may vary and if so, a suitable alternative will be recommended.
A discretionary service charge of 15% will be added to your bill. All prices are inclusive of VAT.
