FLY ME TO THE GOLDEN MOONBALL

This Christmas is all about travelling and discovering. Alight the new 8 Northumberland Airways sensation – the **Sky Lion** to start a journey of a lifetime. An intergalactic journey to experience the launch of the long awaited very first **venue on the moon!**

The golden tickets are booked, and the journey is set to begin. Arriving to the luxury lounge, the excitement hangs heavy in the air and everyone is ready to depart. This is the start of a wonderful adventure.

Onboard the jetliner the surroundings are the epitome of **first-class** and **glamour**. Champagne is poured, lights and music create the atmosphere, time seems to stop - this is a plane like no other. Gone is the focus on just the destination, it seems that the journey is now part of the adventure too. Before long the movement begins again, a commotion ripples – we have arrived!

As you step out onto rocky floor, you realise you have travelled further than imaginable: **you've landed on the moon!** The sight is breath-taking; carved in golden Moonrock and built with the most precious metals, this out of this world venue is everything you anticipated and more.

Entering through the majestic vault door, the surroundings envelope the buzz. High ceiling draped in the finest of fabrics, the expansive glass walls stretch the cosmic view above, it's the most spectacular ballroom you've ever seen! The evening begins and looks set to continue into the night, for this is a place made for the best parties.
