The menu includes a balanced offering including some brain - boosting foods to keep you as sharp and focussed as possible - plus some naughty but nice favourites if you're having a treat. Make sure you check out our pizzas - freshly prepared for you and cooked in minutes in our authentic wood-fired oven.

The grazing options change throughout the day from nutritious mid-morning smoothies and home baked cookies, to retro sweets.

In addition we have free flowing teas coffees and other hot drink options so that you can stop whenever suits your meeting and refresh for the next stage.
