DECK THE HALLS

Pergola Paddington is a rooftop destination venue, perfect for big skies and big nights. Set over two floors, the venue has an outdoor roof terrace and a covered lower terrace which is heated during the colder months. Pergola Paddington has a reputation for bold and imaginative activations, and the team at our 750-capacity venue take pride in curating the perfect set-up and atmosphere for your event.

With a constantly evolving roster of 3 of London's hottest restaurant concepts under one roof, your guests can be provided with food vouchers to use at the restaurants of their choice throughout the event, there is truly something to cater for every taste in this stunning rooftop venue.
