IN DECEMBER 2023 THE BREWERY PRESENTS

THE Clandestine Club

DECEMBER 1923,
SOMEWHERE IN CHICAGO IL.

The Clandestine Club is Prohibition's worst kept secret. Hidden at the end of a discreet cobbled alley, behind a non-descript wooden door, the 'greatest gin joint in town' is a raucous hangout for the city's bohemian royalty where men and women drink and dance together celebrating the good life. Whilst the authorities turn a blind eye, the bootleggers keep the party fuelled as the band and chorus of flapper girls lead the crowd late into the night.

Join us in December 2023, when The Brewery will roll out the barrels of hooch and allow The Clandestine Club to take centre stage once again.
