CUSTOMER REVIEWS

My company and I had our away day at the Bowls Club and we had an absolute blast! I wasn't sure what to expect but it really was such a fantastic experience - the energy at the club was really infectious and it was one of the best away days I've ever been on!

- Ella

I had a fantastic time at The Bowls Club LDN last night. From the delicious pop up food stalls, to the brilliant master of ceremonies and not forgetting the actual bowls! It was all perfectly executed.

The enthusiasm and attention to detail from the whole team made it a great evening.

- Prathab

Had an absolute class time, good food and drinks with a fun twist. Great way to spend a summer afternoon in London, will definitely be back!

- Aidan

An amazing event held by a group of legends.

10/10 would recommend!!

- Albert

An incredible atmosphere with amazing hosts. The perfect occasion to have a drink in the sun, enjoy some great music and a very summery vibe. It would be a shame to miss out on the experience.

- Alex

Amazing experience especially due to Tatty she made us feel so special.

- Faye

We didn't actually go to the Bowls club, but the bar right next to it. However, what I could see was a fantastic setup, a hell of a lot of people having great fun, and it looks so professionally set up.
