We'll keep making sure every guest feels like a HERO during their time with us, walking away with stories to cherish for years.

FREQUENTLY ASKED QUESTION:

WHAT TIME WILL I BE PICKED UP?

Pickup service is provided for all Platinum Heritage and Hero Balloon Flights tours. We never want our guests to be sitting for long periods in the lobby of their hotel, instead, we prefer to give a precise pickup time. At the time of booking, you will have a 1-hour range to help you plan your day. On the day of your experience, we will WhatsApp you and phone you at your Hotel room to advise you of the exact pickup time. If you are not in the room, we will leave a message with the Concierge. Please phone +971 4 412 6333 if you have not received a message by 1:00 PM on the day of your tour or 5:00 PM the day before your morning tour.

WHAT SHOULD I WEAR?

The weather in the desert is very different than in the city. During the day, loose fitting clothes and shoes that can be easily removed are best. May-October: Loose clothing, shorts, t-shirts, hat and closed shoes. November - April: Dress in layers as it cools down after the sun sets, especially between December and January. Jeans, closed shoes, shirts, cardigans or even a jacket may be required on cooler nights.

WHY AM I BEING ASKED TO BOOK A PRIVATE CAR FOR CHILDREN UNDER 5 FOR MY DESERT SAFARI?

If you will be travelling with a child below 5 years old, a private car is required for various reasons:

- * The drive will be toned down to accommodate a younger child, this might change the nature drive experience for other guests.
- * Child seats are strictly required for young kids, reducing the opportunity for everyone else to enjoy the splendid desert views.
- * Younger children often get uncomfortable, sick or start to cry. A private vehicle gives you the flexibility to shorten the drive if needed.

If a private car is still not an option, or you have a child less than 1 years old, we can arrange a late transfer for one parent and child. This is usually arranged at a rate lower than the price of a private car.

ADDITIONAL INFORMATION

- * Children can only be accommodated after their first birthday and children between 1 and 4 years old will require a private vehicle to be booked on all our safaris.
- * We cater for vegetarians and vegans. Please inform us at the time of booking. Please also let us know if you have a special request or a food allergy so that we can accommodate you.
- * Each desert safari operates with a minimum of 2 guests with the exception of private bookings.
- * Please inform us at the time of booking if you or anyone in your party are pregnant.
- * Camel rides are not suitable for pregnant women and children under 5 years old. Alternative arrangements can be made.
- * For desert safaris with Platinum Heritage, we pick up guests from hotel in Dubai. We are happy to pick you up from a private residence if you book a private vehicle, alternatively, we have central pickup locations in some of Dubai's residential areas.
- * A portion of your tour fee is donated towards conservation. Please advise us if you wish to make an additional contribution.
- * Our desert venues are equipped with comfortable bathroom facilities, however showers are not available.
- * For all booking terms and conditions please visit:
