GIFTS FROM THE ESTATE

Much of what we grow, bake, preserve, press and bottle naturally finds its way into our gifts, alongside exceptional things made for us by local craftspeople and producers we know and trust. Together, they offer a taste of the seasons, landscape and craftsmanship that shape life at The Newt.

Our Christmas collection is gathered in this same spirit. From thoughtful gestures to generous hampers, bottles for raising a glass and provisions for filling the festive table; gifts for gardeners and food lovers, as well as those notoriously difficult-to-buy-for people who seem to have everything.
