At the heart of every Hyatt Centric event, whether it's an outdoor gathering in The Poodle Garden, an indoor networking session in the breakout area, or a delightful meal at Liberties Gate Bar and Restaurant, we source freshly prepared, seasonal ingredients and offer exceptional levels of service.

At Hyatt Centric we offer a unique neighbourhood food experience infused with elements of fun. Our delicious **seasonal** and **creative food menus** are crafted by our world-class culinary team, led by Executive Head Chef Eric Osborne, with **sustainability** at the forefront. You can't make great food without starting with great ingredients and that's why we are focused on only using ingredients that are in season and locally accessible.

A Local Legacy

Infused with a touch of Dublin savvy, Liberties Gate Bar proudly displays our impressive selection of whiskeys from local distilleries and some of the best craft beers and stout straight from our neighbours, Guinness at St James' Gate.

A Magical Twist to Your Meeting or Event

Transform your meeting or event into a magical experience with a delightful twist of wonderland flavors and fresh air. We offer a whimsical refreshment break in our courtyard with our Alice in Wonderland inspired breaks as a tempting alternative.

A woman with red hair and glasses is sitting in a meditative lotus position on a stone ledge in a park. She is wearing a white t-shirt, a dark blue blazer, and grey trousers. Her hands are resting on her knees with palms facing up. The background is a lush green park with trees and a path. The word "engage." is written in large, white, lowercase letters across the middle of the image.
