BIG BUS TOURS OFFER THE PERFECT ENVIRONMENT FOR CORPORATE ENTERTAINMENT, CHRISTMAS PARTIES, STUDENT TRIPS, EMPLOYEE REWARDS OR EVEN A FAMILY OUTING.

Our open top double decker buses can create a unique experience tailored to your requirements;

BIG ROUTES: Your London adventure awaits with a choice of routes designed around the many 'must-see' attractions or a completely bespoke route.

BIG LEARNING EXPERIENCE: Your group will learn a lot on board our buses and we can tailor the tour to accommodate age, needs and special interests.

BIG BUSES: With a fleet of modern open top double decker buses, carrying up to 63 up top and up to 38 on the lower deck we're able to accommodate most groups, if needed we can always book multiple buses and travel in tandem.

SOMETHING SPECIAL: We are happy to arrange special extras such as balloons, decorations, drinks, snacks, quizzes etc. Just let us know any ideas you have.

LIVE COMMENTARY: We can provide guides to share fun facts and stories bringing your tour to life, and can even venture off the bus with a walking tour!
