CRAZY GOLF CLUBS

# WELCOME TO BIRDIES

Let the mind-bending, visually ridiculous courses at Birdies take you away to a world of unbridled fun, we're a social destination with a difference.

We're putting the golf into crazy! Adding that element of competition & giggles to any event making it a 'must do' on the bucket list.

Our 9 hole courses challenge even the most competitive of players, but also have the element of delight for novices, you don't have to be Mr Woods to hole-in-one here (it's just about knowing the secrets to the greens... to the yellows, the oranges, all the colours of our vibrant courses!).

*"I am not good at golf, but I absolutely had fun!! I love the vibes of the place."*

## VELOCITY

TAKE THE GAMBLE, OR PLAY IT SAFE?

### DID YOU KNOW?

The world record for golf ball speed, or velocity, is held by Kyle Berkshire and sits at **241.6mph**

High risk equals high reward on this Screwball Scramble inspired hole.

Gamble by going balls to the wall and you might just bag yourself a hole-in-one.

Or stay on the ground and play it safe, it'll take an extra stroke or two but could be a price worth paying.

## INFINITY

HALF CATWALK, HALF GOLF-HOLE

With mirror tricks and fabulous lighting Infinity is perfect for mastering those long putts or posing for the perfect profile pic.

# LET THE GOOD TIMES ROLL

With a stunning range of perfectly crafted cocktails and fully stocked bars your visit to us will be one to remember.

Depending on your group size, a round will last for 30 minutes or so, you can regroup, tally up the strokes & crown your champion (or hand out the green jacket), then sit back, relax & let the golfing banter continue into the night.

*"We wanted to do something a 'bit different' & so glad we hired the venue.*

*Caddies were brilliant offering tips on the holes & the entire group came away laughing & we're still talking about it for the next social."*

# **PUTTING YOU AT EASE**

**(ALL YOUR QUESTIONS ANSWERED)**

#### **Tee-off time:**

All parties will be allocated an arrival time and tee-off time. Tee-off time refers to the time your teams will begin on the course. We allocate an arrival time of 20-30 minutes before tee-off to ensure there aren't any delays on the course.

All groups will tee-off as 'four balls' as you would on a traditional golf course, its a great way to mix groups together & have a 'winning team' at the end of the course.

#### **How long does the course take?:**

The course takes approximately 20-40 minutes to complete, this can vary depending on group sizes and how busy the course is, but there is no rain to worry about & no lost balls in the rough. Although your party will be assigned a tee-off time this may vary slightly dependant on how the course is moving. You will have an assigned area to enjoy food & drinks prior to tee-off & a base whilst you are with us.

#### **Reserved area:**

All group packages include a reserved area. Your table reservation length may vary depending on food & drink pre-orders.

#### **Pre-orders:**

We require the food pre-order 7 days prior to your booking date. Drink pre-orders will be on your table for your arrival. Food pre-orders will be served before or after golf, the timings will be agreed when booking.

#### **Adding guests:**

You are welcome to add extra guests to your booking, subject to availability, we know planning these things is always tricky.

#### **Venue Showaround:**

You are welcome to visit our Birdies venues to speak with our team and see our venue. We will arrange this for you, have one of our team to walk you through everything to expect for your event.
