DESIGN & art

The interior designed by the award winning architecture studio, YODEZEEN, captures La Dolce Vita in its atmosphere reminiscent of Southern Italy.

The furniture by Loro Piana and Poltrona Frau has a color palette of green olives, lemon yellow and sea blue. All blends perfectly with neutral and earthy tones of a bespoke handmade Venetian floor and state of the art green marble bar and staircase. The ceiling reflects the luxury yacht experience and the artsy side is supported by artwork from the acclaimed Bradley Wood.
