Rooms & SUITES

Designed to be more than just a place to lay your head, each room and suite at One Aldwych embraces a contemporary, stylish character ready to host, cocoon and enchant. Bespoke furniture and fittings, along with a curated collection of over 400 pieces of original art pay homage to the sense of modern, independent Britishness that One Aldwych represents.

Food & DRINK

Satisfy any appetite with the time-honoured tradition of afternoon tea served with a magical Charlie and the Chocolate Factory twist. Later there's dinner in Indigo, our signature restaurant famed for flavour and celebrating independent British food producers before drinks in the vivacious Lobby Bar.

Health & WELLBEING

Lie back, get active or dive in at the One Aldwych Health Club.

Our spa treatments are an indulgence for body and mind with highly-personalised rituals. For high-energy days there's our spacious Technogym complete with a Peloton bike and a 59-foot/18-metre swimming pool.

Sustainably MINDED

Since we opened our doors in 1998, One Aldwych has embraced an innate sense of responsibility for both the environment and the world around us. Now proudly a certified B Corp, we continue to lead and innovate with energy-saving initiatives, while actively engaging with our community to nurture conscious and sustainable practices.

From beehives on our roof to our chlorine-free swimming pool, sustainability has always been a core value, not just a buzzword.

Our Covent Garden Neighbourhood

We like to describe One Aldwych as the hotel for Londoners at heart, wherever they might be from. For the curious minded, there is access to the finest entertainment and cultural adventures, positioned as we are on the doorstep to galleries, museums, West End theatres and the famous Royal Opera House.

Stay up-to-date with the latest happenings.
